

SUMMER READING for SIXTH, SEVENTH, and EIGHTH GRADES

Your child has just enjoyed a successful year in school, and we hope will have a restful summer. In order to make a smooth transition into the next school year, there are some skills that should be maintained over the summer months.

First, we ask that you and your family **read the Bible on a daily basis**. Your family sets the devotional framework, as you read and discuss God's Word together.

Second, we ask that you **pray for the teachers** your child will have this year. **We will also pray for your child.**

Third, we ask that your child spends time reading over the summer. Allow your child to choose books of interest to him/her that are at their independent reading level. This summer, we ask that all middle school students **read a minimum of 1,500 minutes**. Please **keep a log** with the following information for each book read:

1. Title
2. Author
3. Number of Pages
4. Number of Reading Minutes
5. Student Signature
6. Parent/Guardian Signature

This reading log will be due the first week of school.

God's blessings for a restful summer,

Middle School Teachers
