

## Summer Reading

### Second Grade

Happy Summer, everyone! Hope all of you have an enjoyable, safe, healthy summer. Reading is a great thing at any time of the year, but especially during the relaxing summer days.

There is not a required summer reading list for second grade, but please READ, READ, READ!

Try to read at least 8 picture books or 2 chapter books of your choosing. Please write down the title and author of each book.

Looking forward to having you in my class for second grade! 😊

## A GREAT SECOND GRADE READING LIST!

Discovery - Friendships - Imagination
